1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 28, line 1, --26-- has been changed to --25--.

2. Authorization for this examiner's amendment was given in a telephone interview with Ms. Chen on 09/12/05.

3. The following is an examiner's statement of reasons for allowance: the prior art does not disclose a semiconductor module with a detailed main circuit including a first reception circuit and second reception circuit as recited in claims 1 and 12 and in combination with other limitations of claims 3-14, 16-24 and 33. The prior art also does not disclose a method for testing a semiconductor device having a combination of steps of initializing and setting a mode of operation for ascertaining and outputting test information during the normal operation of the semiconductor module through a further contact terminal, performing an input code evaluation, performing a function code evaluation, subsequently outputting test information during the normal operation and in combination with other method steps recited in claims 27-28 and 31-32.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
